DATA PRIVACY CONTRACT EXECUTION NOTICE

In compliance with P.A. 16-189, An Act Concerning Student Data Privacy

Hello,

On February 1, 2017, Canterbury Public Schools entered into an agreement with Northwest Evaluation Association (NWEA) to provide student data management and analysis to our school district. This will enable Canterbury Public Schools to support skills and equip teachers with data to support personalized instruction. You are receiving this notice because your son/daughter will be using the software in his/her classroom.

The Northwest Evaluation Association (NWEA) platform captures and tracks the following information about your son/daughter.

- Student Name
- Grade
- Teacher
- School
- Universal Screen Results

This data resides on secure servers, and is encrypted in transit using SSL technology. Please be assured that Canterbury Public Schools treats the privacy of your student's data with the utmost seriousness and ensures compliance of all of our educational technology partners with state and federal laws as well as general best practices. If you have any questions about the contract with Northwest Evaluation Association (NWEA) or the use of this software, please do not hesitate to contact me at lknapton@canterburypublicschools.org or (860) 546-6950.

Regards,

Lois DaSilva-Knapton, Ed.D
Superintendent of Schools
