Dear Families, April 2019

In reading class, your child will be assigned to read the true story, The Boy Who Harnessed the Wind. This experience will encompass small group work, science and reading activities, and individual reading and reflecting for homework. It is vital for your child to keep up with their reading so they do not fall behind and they can participate fully in the day's classroom activity.
It is the student's responsibility to not lose, or damage their book while it is in their ownership. If a book is lost, it will be the *student's responsibility to replace it as soon as possible*, I do not have extras to give out due to budget constraints.

Please acknowledge that you have read the above statement by signing your initials anywhere on this letter and return. Your child will receive their copy based on this response from you.

I am excited to share this riveting true story with your child in class!

Sincerely,

Mrs. Messier
