

Dr. Helen Baldwin Middle School
GRADE 7
PROJECT OCEANOLOGY
Field Trip Permission Slip

Students will board a science research vessel and head out to sea for an unforgettable marine science experience! Catch fish and plankton, pull up a mud grab, use oceanographic equipment to measure water quality, and

more! Students will learn how to use sampling gear, facilitate data collection, through the help of the Biologists on board the research vessel.

The cost of the program is **\$37.00**. Students will spend the day in the Program learning about. After un-boarding the research vessel students will enjoy lunch on UCONN College's campus green at Avery Point. Students will leave school at 8:30 am and return by 2:30 pm. They **must bring a bag lunch** as food is not available at Project Oceanology Avery Point. Students should

wear sneakers and clothing that is appropriate for protection against wind, sun, and water.
