Media Release Form

Periodically, we have school sponsored activities that receive media coverage, or students produce programming to be aired on Public Access Television Programs. In addition, student and class projects are often videotaped, and students may bring home a copy of the production for families to enjoy. This may include, but is not limited to, science presentations, book reviews, on-stage musicals, student news programming and so on.

We need your permission to allow your child's picture, name, or quote to be in the media when it relates to the Dr. Helen Baldwin Middle School.

If we know ahead of time, the school staff will notify you. Sometimes, we get random coverage of an event and cannot notify you. This permission would cover those instances.

Please fill out the bottom portion of this paper and have your child return this sheet to the school promptly.
