April 3, 2020

Good Afternoon Canterbury Families,

I hope this message finds you and your families well. I am reaching out with an update regarding our Grab & Go meal service.

Our Grab & Go meal service has been very successful. We have served over 1,300 meals to Canterbury families since Monday, March 16th! We are so pleased to have been able to reach and serve so many families. However, in an effort to reach even more families, starting Monday April 6th, Canterbury Public Schools will be offering delivery service for our Grab & Go program. If you are interested in having your meals delivered to your home please go to our website and click on the Food Service Delivery link to fill out a form for delivery. Deliveries will be done Monday, Wednesday, and Friday. Our school employees will drop off your meals at your front door. Please do not greet them at the door as it is of utmost importance to us to protect you and our staff by practicing social distancing.

If it is more convenient for you to still come to Helen Baldwin Middle School to pick up your meals, we will still be offering that as well. You can continue to come Monday, Wednesday, and Friday between the hours of 9 am and 12 pm.

It is important to remember that our Grab & Go meals are offered to any Canterbury resident ages 18 and under. Children are no longer required to be in the vehicle at time of pick up. Also please note, delivery and pick up services for the week of April 6th will be modified to Monday, Wednesday, and Thursday to recognize Good Friday. We will resume our regular schedule Monday April 13th.

CANTERBURY PUBLIC SCHOOLS

James A. Connelly
Interim Superintendent of Schools
