Good afternoon Baldwin families and students,

I wanted to share some important information before we head into the weekend.

First, next week will be the final week for online learning so that we are able to collect Chromebooks back before the school year ends. Students will see a calendar of work for June 1-5, which will finish up the year for new learning. The week of June 8-12 will be used for staff to grade work, for students to finish up and hand in missing work, and for families to return Chromebooks to the school.

On that note, BMS will be open from 8 am to 3:30 PM on Tuesday, June 9, and Wednesday, June 10 for Chromebook drop-offs, as well as for families to pick up items that might still be at the school. There will also be a bin for students to return any library books they may still have in their possession. Please plan accordingly. If you are unable to drop off the Chromebook during these two days, you must send an email to Mr. Dukette at gdukette@canterburypublicschools.org to arrange an alternative drop-off time. Any Chromebooks that are not returned will result in a replacement charge.

Finally, we will be sending out an instructional video by the end of next week for 8th-grade commencement. As we cannot have a commencement practice this year, the video will aim to provide clear directions for students as to how the night of commencement will run.

As always, if you have any questions, concerns, or needs, please do not hesitate to reach out to me at gdukette@canterburypublicschools.org.

Thank you and have a great weekend!

Mr. Dukette
