- Next Generation Science Standards for 4th grade include: human body structures and processes, rocks and volcanoes, sound waves, energy, and engineering.

# Grade 4 Curriculum

## SOCIAL STUDIES

- Students will learn about the geography, culture, and economics of the various regions of the United States

# At home expectations

- Students will complete work on their days home
- Students will return work to school or submit assignments online by due date
- Students will be responsible for materials sent home
- Students will keep track of usernames and passwords

# Frequently Asked Questions

## Do students have snack?

Yes. Snack will take place in the morning or afternoon. Please send in a healthy snack for your child. Also, remember to send a napkin or utensils, if needed.

## Can students bring drinks to school?

Yes! Drinking fountains will not be open. Students should bring in a water bottle (water only) to use during the day.

## Can students bring in their own recess equipment?

No, not this year.

# FAQs continued

## What time does school start and end?

The instructional day begins at 8:20. Dismissal will begin at 3:15. Please be patient this year as new routines are put in place for the health and safety of everyone.

## Can my child bring extra supplies to school?

No, as stated on the letter sent home, most supplies on the list need to fit in a single pencil box or pouch. Children will have limited space for their supplies this year and they are not able to share supplies.

teachers*

# Meet Ms. Wiza

**Teddy wants us all**

**to wear our masks!**

**Hi! I can't wait to be back in the classroom and to get to know our new fourth graders. We have heard wonderful things about each of you!**

**I have been teaching for fourteen years. This is my sixth year at CES and my fourth year teaching fourth grade. Before becoming a teacher I was a professional performer. I love to sing, dance, and act with my students! This summer I started practicing yoga and I'm looking forward to sharing that with my new students.**

**I have three sons, two dogs, and one cat. This summer I visited New Hampshire, settled into my new home, walked my dogs, and read lots and lots of books.**

**This year will be like no other, but I'm sure we will make it a great one!**

# Meet Ms. Huband

Hello 4th Grade Families,

This will be my first full year teaching 4th grade at CES (I student taught here several years ago). I have spent the last five years at Dr. Helen Baldwin Middle School, and have fourteen years of teaching experience beyond that. I'm excited to be working with you, and looking forward to a wonderful year together.

## Behind the mask-

# Meet Mrs. Iamarone

Hi everyone!

It seemed like we would never get back to school, and now here we are! I am excited to meet you all. Although school will look and feel so different this year, I know we can all work together to make it great!

This is my 22nd year teaching, my 15th year teaching Grade 4, and my 5th year at CES.

I have 3 kids. They are in 6th, 3rd, and 2nd grades. We play outside a lot, go to the library, play games, and eat lots of snacks! (How can kids eat so much?!) We were busy all summer. I hope you had a fun summer, too!
