Grade 2

# Welcome back to school

---

We are so excited to welcome you back! Although some things may look a little different, we are so happy that we can be together in our classrooms.

# Health

# & safety

The health and safety of our students is our main priority. We have made all of the protocols in the building to support the many different steps we are taking such as handwashing, masks, desk shields, and physical distancing. We thank you for working with us.

# Distance learning

Second Grade will be using SeeSaw as our learning platform in place of Google Classroom. This is a much more user-friendly application for our young learners. Digital assignments will be posted for our remote learning days. More information & instructions will be sent to you to guide you on how to log into the platform. We will also be using Zoom to have virtual meetings with our distance learners.

**\*\*This will not be starting yet\*\***

Using the web:
