

### **Parent Portal:**

We are experiencing issues with the parent portal and the email verification for it. If you already have an account created, use that account. If you are new to PS, please create an account after 5:00 or on the weekend. We have to shut down some of our customized pages and cannot do this during business hours. Below are some instructions. Contact the office if you already have an account, but do not remember your password.

You can go to our website [www.canterburypublicschools.org](http://www.canterburypublicschools.org) and find the link to the Parent Portal (along with a bunch of other important information!). Just select the Baldwin Middle School tab and scroll down to the link. When you click the link you will need to **set up an account**. In the first section you will make your own user name/password and then below you will enter your students name and put the credentials you were sent in those fields. Make sure you use PARENT ACCESS and PARENT PASSWORD.

### **iReady**

Remote learners, please visit this link:

<https://www.loom.com/share/9a9823e75083430cb8511d61f37f3c79>

to watch an important video on iReady. Mrs. O'Connor will be sending home specific information for all remote learners about their login information and the days they will need to test on for the next two weeks.
