The CES Kids' Lab is offering a virtual program: "Penguins Up Close"

Broadcasting directly from Mystic Aquarium's Roger Tory Peterson Penguin Pavilion, CES students will not only learn about these amazing endangered species but also meet an African penguin up close and personal! There will also be a chat feature so curious investigators can get their questions answered. ALL GRADE LEVELS are WELCOME!

Please register using this [Google Form](#) by November 15th.

Information for logging into the Zoom meeting will be provided on November 17th to those who register.

Report cards

Trimester 1 closes on Friday, November 13th. **Report cards will be sent home on Friday, November 20st.**

Report cards for remote students will be included in their Friday packet on 11/20.

Parent/Teacher Conferences

Parent/Teacher conferences will be the following Monday and Tuesday, 11/23 and 11/24. Monday is the later day with conference times available in the evening.

Details:

1. Parent/teacher conferences will be remote this year. Next Tuesday, November 10th, you will receive the conference letter to indicate preferences for times. Please return it to your child's classroom teacher as soon as possible.
2. Classroom teachers will schedule the conferences and you will be sent an invitation for a remote meeting. For these conferences, we will continue to schedule as we have in the past, AND some grade levels may pilot an on-line way to schedule conferences. More information to follow!
3. If this is the first time for you to access a remote meeting and you would like assistance, please contact the office as soon as possible so that we can schedule a practice run.
4. We will schedule conferences in 15 minute increments, but your conferences will be **last less than 15 minutes** to allow time to transition to the next scheduled conference.
5. The hard copy letter regarding conferences will be sent out next Tuesday. It will be included in remote packets on Friday, November 13th.

Wishing you well! Stay safe!
