## Retirement???

by: Technology Enrichment Students  
& Mrs. Giuliano

We asked our retirees a few questions.  
Although, they will retire from  
Canterbury Elementary School, they will  
still be busy. Here are some of the  
questions and answers.

Dear Mrs. May,

Are you excited to retire?

***I am excited and a little nervous about  
retiring. I have been a music teacher  
all of my adult life, so it will feel very  
different not to come to school every  
day. That's something I'll have to get  
used to.***

Do you plan to go anywhere special?

***I would like to travel to California to  
see my daughter. I would  
also like to travel to Hawaii.  
I have always wanted to  
go there.***

Are you going to get another job after  
you retire?

***I already have other jobs that I plan on  
continuing. I give singing and piano  
lessons, and I also sing professionally.***

Are you going to continue to play  
instruments?

***I will continue to play the piano and  
sing. I'm also learning how to play the  
ukulele.***

Dear Mrs. Dugas,

Do you have plans  
after you retire?

***I plan to spend more  
time with family & friends, take a  
Yoga class, spend time in my garden,  
possibly volunteering with young  
children, and travel!***

Are you excited to retire?

***Yes and no! It will be difficult saying  
good-bye to so many friends that have  
been such a big part of my life, but  
most of all, I will miss the kids that  
have given me so much over the years.***

Are you going to continue to read lots  
of books?

***Books have always been a big part of  
my life, and hopefully, retirement will  
afford me more time to read.***
