CANTERBURY, CONNECTICUT 06331

OFFICE OF THE PRINCIPAL
(860) 546-6744

RESIDENCY VERIFICATION FORM 2019

As was shared with you in the August 2019 Letter to Parents regarding Residency Verification, the school district will be requiring all students to verify their residency in Canterbury. Each student will need to have the following information submitted to the school for verification by the end of September. This process is required of all students this year. If you have any questions, please contact the main office or email me directly.

There will be **3** items required.

1: Driver's license with current and correct Canterbury address and

2: rent or mortgage agreement and

3: a utility bill or cell phone bill. Note: PO Box or magazine subscription are not acceptable means of residency verification.

Special Note: If you do not have an official rental or mortgage agreement OR are claiming to live with a legal Canterbury resident, you must complete the Certification of Residency form that is also provided with this notice. Such form is annually updated and if there is any clarification needed, the Superintendent's office will contact you directly relating this this matter.

2019-2020
