Superintendents Board of Education Report

December 2019

I am very happy to begin my tenure as Interim Superintendent of Schools in Canterbury. My first days presented some unanticipated challenges with the early winter storms and several resignations. During my time in Canterbury I hope to work with the school district in providing stability, honesty, civility, transparency, and collaborative leadership that has a positive impact on the Canterbury community.

My entry plan will focus on safety, communications, collaboration with all stakeholders and fiscal issues.

More details will be provided at the Board of Education meeting on Tuesday, December 10<sup>th</sup>.

James A. Connelly

Interim Superintendent of Schools
