Students failing to meet one or all of these standards will be warned orally. If it continues, a student will be put on probation. If the issue still is not resolved, we will have a hearing. Depending on the outcome, a member may be dismissed.

In the event of a flagrant violation of school or civic law, a warning is not necessary.

A student who is dismissed or who resigns may not be a National Junior Honor Society Member in the future.

They may seek membership to National Honor Society in High School.
