Dear Families,
We are excited about the next two weeks.

1. Celebration of the Arts

The Celebration of the arts will be remotely presented next Thursday, June 4th. We will share links to showcase videos of our CES Chorus and our CES artwork.

2. Reverse Hello Parade

This district event is next Friday from 2-3:30 at CES. Both schools will gather at CES. Driveway will not be open before 2 pm so please do not come early so that we have time to set up and maintain our social distancing. See table below to know where your teacher may be!

Location	
Right side of Driveway going up to CES	CES Admin and Intervention Services Grade 4 Grade 3
Around the circle (where the buses go)	Grade 2 Grade 1 FRONT ENTRANCE Office staff Grade K Grade PK
Down the Hill to Kitt Road	CES Specials Teachers BMS Teachers and Staff BMS Admin
Please note:	
1. Town constable will be at the intersection of Route 14 and Kitt Road between the hours of 1:30 – 3:30.	
2. Please drive slowly and do not get out of your car.	
3. Should you wish to drop something off, please wait until the next week (June 9 and 10) when we will be prepared to safely accept items from you.	
4. This event will be held rain or shine!	

3. Student Belonging Pick Up and Chrome Book and Library Book Return Days (Tuesday, June 9 and Wednesday, June 10)

The purpose of this is to distribute student belongings and for families to return materials. Included in what we give back to you will be other information from our teachers, like information about the Governor’s Summer Reading Program.

We are gathering all student materials for them in one place. By the end of next week, all materials will be organized and ready for the following week. No student material bags will be touched after Friday, June 5th. We are maintaining all recommended health safety precautions when making packets and handling student materials.

When you arrive at the school, we will make a line around the circle, where the buses go. First a staff member will get your name. They will let other staff know that you are in line. You will proceed to the CES sign (where buses drop off in the morning).

There you will be asked to release your trunk so that we may take the bags you have for us and we can put in the bags we have for you.

Please try and follow the times listed below, but if you need to come on that day that you are not scheduled, it is OK.

Please note the details and time below:

Times to Pick Up	Notes
