Dear Families:

It was wonderful to see most of you last Friday at the reverse parade! This letter talks about three topics:

1. Return of Materials and Pick up of Student Belongings, tomorrow and Wednesday (details below)
2. **Guess Who?** We wanted you to see what we look like with our masks on. So we all put on our masks and took pictures. **Can you guess who is who?** This flyer is posted on the CES website and Class Dojo.
3. **Outreach from Canterbury Food Pantry**  
Canterbury Cares has reached out to us so that we might reach out to you. They would like to help your family should you need assistance. Posted on our website is a form that will assist you in contacting them directly.

### **Student Belongings Pick Up and Chrome Book and Library Book Returns** **(Tuesday, June 9 and Wednesday, June 10)**

The purpose of these two days is to return student belongings and receive returns from families. We are maintaining all recommended health safety precautions when making packets and handling student materials. Please do not get out of the car while on school grounds. **Please have all materials to be returned in bags and in the trunk, if possible.** Please wear a mask if necessary.

Sequence when you arrive at CES:

- 1) When you arrive at the school, cars will make a line around the circle, where the buses go.
- 2) First, in front of the main entrance, a staff member will ask for your child's name and teacher's name.
- 3) Please let that staff member know exactly where your bagged items are located in the car (preferably in the trunk, on the right side).
- 4) Then you will move forward in line. The second stop will be at the CES sign.
- 5) A second staff member will be at the sign.
- 6) Please release your trunk so that a staff member may take your bagged item/s out.
- 7) Another staff member will put in your family's belongings in your trunk. All set! Thank you!
