C. Election of committee chairperson

Mrs. Logan made a motion to nominate Mrs. Bruneaux as committee chairperson. Motion passed 2-0

D. Discussion regarding committee structure and membership

Members discussed the importance of having a wide range of representatives on the High School Committee. Members also discussed the importance of having a manageable committee size in order to have productive meetings. The following community roles were identified: 2 BOE members, 2 BOF members, 3 community members, 3 BMS parents, 3 CES parents, and 3 administrators. A survey will be sent to parents and the community to seek memberships. In the event more than the identified number of role members requests to participate, names will be randomly selected.

E. Discussion regarding meeting dates and times

Times and dates will be established once committee members are selected. The committee will meet at least once per month.

F. Discussion regarding initial goals and data collection

The members discussed the importance of identifying some initial data to collect., which included graduation rates, program descriptions, tuition costs, transportation costs, and a review of contract language. The draft goals of the committee are to assess the quality of current designated high schools, inform the community of program offerings, and to determine the fiscal impact of the current high school choices. Once the full committee is composed, membership will create a survey for parents and community members, solicit input from students, and collect data relating to each high school option.

G. Adjourn

Motion to adjourn made by Mrs. Logan and seconded by Mrs. Bruneaux. Meeting adjourned at 4:40pm.
