December 11, 2020

Happy Friday Baldwin families!

Here are a few quick pieces of Friday information!

As we move forward into the rest of the year, please know that Mrs. O'Connor will be trying to work with all students to provide math support and intervention. Our goal is to ensure that, no matter where a student's skill level is, that they receive strategies and skills to help them succeed and develop as mathematicians. If you do not want your child to work with Mrs. O'Connor for math help, please let us know by sending an email to [boconnor@canterburypublicschools.org](mailto:boconnor@canterburypublicschools.org).

8th grade families, Quinebaug Middle College will hold a virtual open house from 5:30 to 7 p.m. Dec. 16.

QMC is located on the campus of Quinebaug Valley Community College in Danielson and is open to all Connecticut students. The virtual event will be hosted by QMC Interim Principal David Howes and will feature staff, students and parents. The presentation will be followed by a Q&A session.

QMC, a regional, public magnet high school for grades 9-12, is seeking student applicants for the 2021-22 school year.

Registration is required by Dec. 11 by emailing [mjacobs@eastconn.org](mailto:mjacobs@eastconn.org).

Families, please know that on late-opening days, students should not be dropped off before 10:00 AM. Staff is not always in their classroom until that time and students who are dropped off before that time will not be allowed to go to their classrooms.

Finally, thank you to all of our students and staff for a successful PJ Day for CCMC! As a school, we raised over \$300 to add to the donations raised by CES. Great job Bulldogs!

As always, if any families have questions or are in need of support, please reach out to me.

Thank you all and have a great weekend!

Mr. Dukette  
Principal  
Dr. Helen Baldwin Middle School
