Happy Friday BMS families,

My communication this week is short and sweet! First off, please note that iReady diagnostic will open for all BMS learners next week, beginning on Monday, January 25. Students need to make sure their Chromebooks are fully charged and that they bring their earbuds with them to school. Please encourage your student to do their best, as this data helps us to identify their weaknesses in order to plan lessons to help them grow and learn. In-person learners will take the math diagnostic over two days, on Monday and Tuesday, and will take the reading portion of the diagnostic over two days on Thursday and Friday. Full-remote learners should shoot to complete each subject over four one-hour sessions, using two sessions for math and two sessions for reading.

In addition, if your student is an 8th grader who is planning to attend Woodstock, please see the information below regarding an information session coming up in the next few weeks:

Topic: Woodstock Academy Registration and Course Selection Information

Time: Feb 10, 2021 06:00 PM Eastern Time (US and Canada)

As always, please do not hesitate to reach out to me at gdukette@canterburypublicschools.org with any questions, comments, or concerns.

Thank you all and have a great weekend,

Mr. Dukette
