

Dear CES Families,

We hope that this first remote snow day went well for you. Please let us know if you had any difficulties or questions. We do have “hotspots” available for families to use if needed.

The second trimester is coming to a close on March 4<sup>th</sup> and parent/teacher conferences are planned for March 11<sup>th</sup> and March 12<sup>th</sup> (Thursday and Friday). Conferences will again be remote. These two days are half days for students with a noon dismissal. We always serve lunch on these shortened days.

A reminder that breakfast and lunch continues to be free this year and is funded by the federal government in response to the pandemic. Please take advantage of this wonderful benefit.

We are conducting a food drive for “Canterbury Cares” Food Pantry. Please send in cereal, fruit cups, jello cups, granola products, and other non-perishable foods that kids love. Thank you!

We are welcoming back students from full remote and home schooling and it is wonderful to have them back here with us. Your child is always welcome. We will continue to help families with all the transitions this year.

Look for information next week on PK and K registration for this spring. We are beginning to plan for our warmer weather activities-planning to include some family fun! Hope you enjoy the snow this weekend!

Wishing you well,  
Miss Cary
