February 12, 2021

Dear CES Families:

Happy Spirit Day to you! Thank you for Valentine wishes in the school!

We are having a great day here! Today I would like to talk to you about remote snow days.

We have had 5 traditional snow days so far this year and so any more that we may have will be “**Remote Snow Days**”. These days will not be added on to the end of the year, but we must do our schoolwork at home on these remote days. Each grade level has prepared packets and letters for you and are sending them home today. We will offer a remote morning check in across all grade levels. We hope that you can join us.

For each snow day, your child will have a packet to complete and turn in the next day when we return to school. Grade level teachers have offered a sample schedule to you for the snow days. There may also be activities for your child on a remote platform. Please look for the letters and packets from your child’s teacher today.

Should you have any questions, please reach out to us. Don’t forget to make play a part of the day as well! Thank you again for all the ways you show us that you care.

Fondly,

Miss Cary
