

Happy Friday, Canterbury Families,

KINDERGARTEN REGISTRATION is April 29th. Please call CES for an appointment at (860) 546-6744

KIDS' LAB

Remember to sign up for Kids' lab, if you haven't already done so. This month's Kids' Lab is all about submarines!

Next Wednesday, April 14th is our Kids' Lab date!

More information can be found on Class Dojo and our school website.

PTO FUN and FUND RAISING!

Coming home with your children today are purple flyers from the PTO. **The PTO does an amazing job of raising funds for our school.** This year has been difficult because of all of the limitations due to COVID. **Our PTO came up with some fantastic ideas.** They will be hosting a town-wide yard sale at the end of May. Families will be able to pay \$5 to get their names placed on a map of yard sales. The community can then pay \$5 for a copy of one of these maps. Then each family can ensure plenty of customers at their own yard sales! The maps earn the money for the PTO, and the yard sales are for the families.

PTO is also hosting a raffle for the month of June. Each day, there will be a live raffle. \$20 earns you a ticket in the raffle. There will be a different prize for each day of the month of June.

**We thank our PTO for their hard work
and ingenuity in these unprecedented times.**

THANK YOU

We also thank you, CES families, for your support and cooperation through a very strange year. This is certainly one for the history books, and as we finish up our year COVID-style, know that we greatly appreciate our students and their families.

Fondly, Miss Cary and CES Staff
