

April 30, 2021

Dear CES Families,

Can you believe we just have May and June left of this school year? The school year is beginning to wind down. Here's a peak at some end of year activities!

Field Day, June 2nd

We are still planning field day, but unfortunately we can't have all of our families join us like we have in the past. We are planning a half-day event on Wednesday, June 2nd, with a rain date of Wednesday, June 9th.

We will have games, ice cream, and fun for the kids, and we are looking forward to making some memories with our students.

4th Grade Send Off

Fourth grade sendoff will be Thursday, June 10th at 9 am. The rain date is Friday, June 11th at 9 am. This will be an outdoor celebration. Plans are developing for what it will look like, and we will keep our fourth grade families informed.

Chrome Book Return

If you have a school-issued Chrome book at your house and are not a remote student, would you please send that back in? We are so thankful to have technology available to us, especially during these unprecedented times. We want to keep careful inventory of what we have in order to have our devices available for next year.

4H Camp Scholarships

We have been made aware of some "camperships" or scholarships to the local 4H camp. If you are interested in sending your child to 4H camp but have difficulties with the financial aspect, please contact our school social worker, Mrs. Musumeci, at smusumeci@canterburypublicschools.org. You may also text her (860) 546-8334.

Summer Reading

In collaboration with the Canterbury Public Library, we will be having fun reading this summer. Look for more information on May 28th!

PTO Events

Staff Appreciation is being celebrated by the PTO next week. They are sponsoring a staff breakfast on Thursday morning and they have daily raffles planned for staff. They are also preparing a celebration breakfast for our bus drivers. We deeply appreciate their generosity!

Their June raffle is getting great donated prizes! Look for more information about this raffle next Friday, May 7th! There will also be information about the town wide tag sale next week!

**Have fun and be outside this weekend!
Wishing you well! Miss Cary and CES Staff**
