To Whom It May Concern:

I am writing on behalf of the Canterbury Elementary School PTO regarding our upcoming COVID friendly month-long raffle! Fundraising this year has been tough, but we would like to be able to provide as many resources to our school as possible for the coming year and are asking for your help!

What will the profits be used for? 100% of the profits go directly to fund programs within our school, from free family events, book giveaways, field day fun, and CES t-shirts, to grant and wish list programs for the teaching staff.

There are two ways you can help! First you can donate an item, a discount, or a gift certificate to your place of business. Or second you can "sponsor a day" in which you donate an amount, and the PTO purchases a raffle item for the same amount but recognizes your business on that day as well!

We will be collecting raffle items now through April and then selling tickets for \$20. The best part is your name is never removed from the drawing! You can win multiple times!! And increase your chances by buying more than one ticket! I have attached an example of what our raffle will look like. The bottom portion will remain so if you would also like to buy a ticket, fill it out and send back with your money! Share with friends and family if you would like!

We will be holding the raffle during the month of June so be sure to check out our Facebook page and watch as we visit locals to help us with our daily drawings! We might even stop in and see YOU!

If at any time you have any questions, please contact Ivy Jordan at (860) 884 - 0604 or ibjordan0618@gmail.com.

Thank you for your consideration and support. We look forward to hearing from you!
