April 16, 2021

Dear Parent/Guardian:

You have opted for your remote student to participate in person in our annual mandatory state testing. Remote in-person testing will begin on Monday, April 26, and will run through May 3, with makeups scheduled to begin on May 4, as needed. Please see the schedule below for a complete breakdown of the times of the tests your student will take.

In preparation for the Smarter Balanced test, your child will need to bring their Chromebook, as well as a set of headphones and a writing utensil with them on the day of the test. It is important for your student to try his or her best. While each test session will be an hour, the test itself is untimed. If your student does not finish a particular test on the day that it is scheduled, they will have an opportunity to finish the test on a remote testing makeup day. Before testing, please visit the following link (<https://tinyurl.com/hynvnpa6>) to visit the CT resources for Students/Families.

Finally, it is important that your student is at school 5-10 minutes earlier than the testing time posted so that he or she has an opportunity to get situated, use the bathroom, etc. If you are in need of transportation, please call the front office as soon as possible so that we can accommodate you.

We realize that this is a challenging year for all. Thank you for your support in ensuring your child is able to participate in our state testing in a fair and safe manner.

Sincerely,

Garrett Dukette  
Principal  
Dr. Helen Baldwin Middle School
