

## **Baseball/Softball**

- All CIAC Guidelines followed.
- Home team will supply all game balls which will be sanitized as needed.
- Only competing athletes are allowed to travel or be in the dugout/bench areas in each game (home & away); No injuries players, extra managers or other non-participants are necessary.
- For contact tracing purposes, each visiting team will provide a list of essential game personnel, including student-athletes, certified coaches, and scorekeeper.
- Spectators will be permitted at outdoor contests. Social distancing and masks are required.
- Teams can use the dugouts, as long as social distancing and mask wearing occur. It is recommended that a team use an area outside the dugout to allow for social distancing.
- Face masks will be worn by officials, coaches and game personnel at all times. Players will wear masks unless they are competing in the game.
- The visiting team will bring their own supplies including practice balls, medical kit and water. They are to be no sharing of water bottles.
- Hand sanitizer should be available at each dugout.
- Players/coach must clean and sanitize equipment after each use and game.
- Pregame meeting includes coach from each team and umpire – social distance/mask.
- No seeds, gum or spitting. No pregame or postgame handshakes.
- Parents are not to be in the area of the student athletes.
- Parents are not to be in the area of the student athletes.

## Track

- All CIAC guidelines must be followed.
- Only competing athletes are allowed to travel or be on the sidelines. No injured players, extra managers or non-participants are necessary.
- For contact tracing purposes, each visiting team will provide a list of essential personnel (players and coaches) to the host school.
- Spectators will be permitted outdoors. Social distancing and masks are required.
- Each student is responsible for his/her own equipment.
- Students must come dressed appropriately.
- Hand sanitizer will be at all practices and contests.
- At meets, each team is to provide their own sanitizer.
- Face coverings will be worn at all times, except during competition.
- Each student athlete should have their own water bottle labeled.
- No spitting, nose blowing or similar action will be permitted in any capacity including around garbage cans.
- To limit contact, athletes will provide their own implements and retrieve their own implements after throws when instructed by the official.
- If athlete can't provide their own implements, then it is recommended that implements be sanitized between use.
- Social distancing will be enforced at long jump. There is no high jump.
- The facility will set the measuring tape which will stay on the runway for long jump.
- Athletes must sanitize after every event.
