

S.14.21

hello parents and guardians!

While this year has looked a *little* different, we are working hard to ensure that the 8th grade gets to experience a little piece of normalcy. Please read and sign this waiver/contract with your student(s) as an agreement to their participation in both the dance and Odetah trip. Failure to follow these expectations may result in dismissal from one or both of the events.

We will be accepting donations of individually packaged snacks for the dance. If you would like to donate, please bring them into the front office by Monday, May 24th

Odetah norms and expectations

NO water bottles will be permitted: drinks will be provided at the campground.

ALL bags will be searched prior to boarding the bus

Odetah is a large campground with multiple activity possibilities. In order to follow safe covid guidelines students must maintain physical distance as well as be expected to wear masks at all times except for in the pool or while eating. All mitigation strategies that apply during school hours will apply while on the field trip.

Any student whose behavior is considered detrimental to the well-being of other students may be barred from participation by the principal. While on a trip, all students are considered to be "in" school. This means that conduct and dress standards will be appropriate for the field trip activity. ***please note that if we need to switch the date of the trip to Wednesday because of rain, you will need to provide transportation at the end of the day, as the school is following a half day schedule. Our return time from the trip, however, will still be 3:00.

I _____ agree to abide by the school expectations and understand that failure to follow these expectations may result in my dismissal from Odetah.
