May 28, 2021

Good evening BMS families,

Happy Memorial Day weekend! I hope you all have a restful and safe weekend planned! Before the weekend begins, I wanted to share a few important reminders!

- With the hot weather upon us, please ensure your students bring water bottles to school with them. While our water fountains are closed to direct drinking, they are still open for bottle refills. Hydration is critical, BMS!
- Due to staffing issues, AM bus pickups will likely run a little late for the remainder of the school year. Please let your students know to be mindful of this change, so that they do not worry that they have missed their bus.
- Reminder, we are collecting our Chromebooks **next Friday, June 4**. Students returning to Baldwin in the fall will receive the same Chromebook back when school begins in August. Remote families should also return Chromebooks to DHBMS between the hours of 7:45 and 3:45 on June 4. Work packets will be provided for pickup on that day for the final week of school.
- Report cards will go home with 8th grade on Thursday June 10, prior to commencement. All other report cards will go home with students on our last day of school, Friday June 11.

As always, thanks for all you do to support our students and school! I hope our students had a great time with our PBIS event today! In fact, if you'd like to see a video of me being pied in the face by students, click here: <https://drive.google.com/file/d/1ZxWRZ6bz2AVxtheyhusovkM8soKHqdvS/view?ts=60b12092>

Have a great weekend and I'll see you in June!

Mr. Dukette
