Dear Parents and Guardians,

This year, Canterbury Public Schools is proud to offer an academic summer enrichment program to students who have been identified as needing additional support in the areas of mathematics and/or reading. This engaging program will be designed to give individual students targeted support in the foundational math and reading skills necessary for success in meeting grade level standards. The program will also include enrichment activities in addition to the focus on reading and math. Funding for this program has been made possible through federal grants in response to the coronavirus pandemic. Students were initially identified for this additional support based on local assessment scores and classroom performance.

We believe your child would greatly benefit from this additional support. The program will run part-day for four weeks, Tuesday through Thursday.

Overview:

- **Start date: Tuesday, July 6, 2021**
- **End date: Thursday, July 29, 2021**
- **Weekly: Tuesday – Thursday from 9:00AM-Noon (times may be slightly adjusted based on enrollment)**
- **Location: Canterbury Elementary School**
- **Transportation is available**

Canterbury Public Schools is committed to supporting the needs of all children. We look forward to partnering with you to ensure your child has every opportunity to be successful in meeting their academic goals. **Please complete the attached registration form and return it to school by June 2, 2021.** We will contact you to confirm transportation the week prior to the start of the summer success program. Please contact me if you have questions at kwernicki@canterburypublicschools.org or please feel free to text me at (959) 456-1519.

In partnership,
