

## CANTERBURY PUBLIC SCHOOLS 2021-2022

### **High School AM Bus Routes**

*Times are approximate and may be subject to change - Students Are Expected To Be Outside at Their Bus Stop 5 Minutes Prior to Their P/U Time*

*All morning high school buses meet at Baldwin Middle School after picking up students at their home address. When all the buses have arrived, students transfer to the bus that will continue to their designated high school. Parents may choose to bring students to Baldwin Middle School instead of them riding the bus from home. If you choose this option, we ask that you arrive at the school not later than 6:20 and follow the procedure below.*

*Once all buses have arrived, drivers will activate the red lights, and students will board the bus to their designated high school. Students should not approach any bus until this has happened. Parents should park in the lot on the left side of the school. For the safety of all students, there should be no vehicles moving when the red lights are on. When all students have boarded the buses, the red lights will be turned off and the buses will begin to leave and will not stop to take on late arrivers. Parents are also asked not to drop any students off on the side of the road. This is very unsafe. Thank you for your cooperation keeping our students safe. Buses will leave Baldwin at 6:28.*
