FY 2021 HUD Income Limits

Selection is based on three primary criteria:

1 in need of better housing

Potential homebuyers might be dealing with poorly made, unhealthy or inadequate housing; unaffordable rent; homes inaccessible for their disabilities or damaged by natural disasters; or have other shelter needs.

2 willing to partner with Habitat

Habitat homebuyers put in hundreds of hours of "sweat equity" helping build their own home and the homes of others in the program. This might also include classes in personal finances, home maintenance and other homeownership topics.

3 able to pay an affordable mortgage

Habitat offers homebuyers an affordable mortgage. Their mortgage payments cycle back into the community to help build more affordable houses.

Habitat for Humanity of Eastern Connecticut has pledged to the letter and spirit of U.S. policy for the achievement of equal housing opportunity throughout the nation. We encourage and support an affirmative advertising and marketing program in which there are no barriers to obtaining housing because of race, color, religion, sex, handicap, familial status or national origin.
