Activity	Description	# of students
<p><b>Homework Club</b></p> <p>Open to Grades 5-8</p> <p>Monday-Ms. Zuckerman Tuesday-Ms. Doran Thursday-Ms. Zuckerman</p>	<p>This is an opportunity to get homework support or just finish your homework so you have more time to play when you get home! This club will be run by Ms. Doran and Ms. Zuckerman.</p>	<p>20 students per session</p>
<p><b>GSA Club</b></p> <p>Open to Grades 5-8</p> <p>Monday-Mrs. Griffin</p>	<p>The GSA Club is for students who either identify as LGBTQ+ or are an ALLY (a supportive friend) and would like a safe space to express themselves, ask questions, have fun, and build a community at our school. This club will meet once per week on Mondays, with an option for a meeting during lunch if you cannot make it after school. If you sign up, you're agreeing to be RESPECTFUL, OPEN, and UNDERSTANDING of others thoughts and feelings</p>	<p>15 students per session</p>
<p><b>Habitat Building</b></p> <p>Open to Grades 6-8</p> <p>Tuesday and Thursday-Mrs. Shafer</p>	<p>Reptile Enclosures: Students will embark on a journey of understanding the needs of our resident animals. They will research what these animals require in order to thrive in an environment similar to their natural habitat. Using this knowledge students will design and build an enclosure for at least one of our resident species: crested geckos, turtles, corn snakes, and/or ball pythons. Students must be comfortable handling animals, responsibly follow instructions, and wear clothing that can get dirty (like painting clothes). Let's have fun improving the quality of life of our animals!</p>	<p>10 students per session</p>
<p><b>Aquascaping &amp; Aquarium Science</b></p> <p>Open to Grades 5-8</p> <p>Thursday- Mrs. J. Smith</p>	<p>Students will be involved in designing and recreating natural freshwater aquatic environments while learning water chemistry and the balance of an ecosystem. You will learn how to properly care for your little aquatic friends. Students will be involved in designing, selecting species to stock the tanks, test water parameters, water changes, and build a community tank that will be viewed by all who enter the school.</p>	<p>8 students per session</p>
<p><b>Jewelry Design</b></p> <p>Open to Grades 5-8</p> <p>Tuesday-Mrs. J. Smith</p>	<p>Learn some techniques to design your own beautiful jewelry. You will learn how to make necklaces, bracelets, and earrings using a variety of supplies and techniques. You will also learn the proper terms for tools and supplies and how to size accurately for a perfect fit!</p>	<p>12 students per session</p> <p><b>OVER</b> →</p>

<p><b>Dungeons and Dragons Club</b></p> <p>Open to Grades 7-8</p> <p>Monday-Mr. Summerer</p>	<p>Come join us for a collaborative storytelling experience where we roll dice, EXPLORE imaginative worlds, and ACT through our adventures. Dungeons and Dragons is a Tabletop Role-Playing Game set in a world of high fantasy, swords and sorcery, and mythical magic. Players take on the roles of adventurers with various skills and abilities, and are an assortment of different races, like Dwarves or Elves or Dragonborn! It is a cooperative campfire adventure that builds on every session, like turning the pages of a storybook, and the members tell the story alongside the Dungeon Master, who runs the game and fairly arbitrates the rules. Character sheets, dice, and other materials will be provided by the Dungeon Master (or DM) at the first meeting. Grab your armor and don your imagination, adventure awaits!</p>	<p>8 students per session</p>
<p><b>Sewing Club</b></p> <p>Open to Grades 5-8</p> <p>Monday- Ms. Doran</p>	<p>Calling all creative people! This is your chance to learn how to sew by hand and with a machine. We will create various crafts and work on how to build quilts. I can't wait to see you on Monday afternoons!</p>	<p>10 Student per session</p>
<p><b>Make &amp; Take Fleece Blanket</b></p> <p>Open to Grades 5-8</p> <p>Tuesday-Mrs. Farland</p>	<p>Students will be creating NO SEW FLEECE LINED BLANKETS. Each student will learn how to cut, tie, and create the blanket. Once the blankets are complete they will go home with the students.</p>	<p>10 students per session</p>
<p><b>Yearbook Club</b></p> <p>Open to Grades 7-8</p> <p>Thursday-Mr. Durham</p>	<p>Students will work on completing the 2021-22 Baldwin yearbook. Tasks include taking, collecting and uploading pictures, designing the yearbook using an online program, creating artwork for the yearbook, accounting and payment collection, and fundraising. A great opportunity to develop computer, photography, and collaborative skills.</p>	<p>20 students per session</p>
<p><b>Handmade Cards and Crafts</b></p> <p>Open to Grades 5-8</p> <p>Monday- Mrs. J. Smith</p>	<p>You will learn how to make and design cards, create personal journals/sketchbooks, crafts and gifts using stamps, ink, paper, dies and other supplies.</p>	<p>10 students per session</p>
