January 7, 2022

Good afternoon,

Happy Friday BMS families! There is not a ton of new information this week. Please see the following important information below:

- Due to the snow day today, progress report/UA report cards will be pushed to Tuesday, January 18, barring any other weather events. As a reminder, we will no longer be printing progress reports. On the day of progress reports, all teacher grades will be fully updated and comments will be put in Power School where appropriate, but a printed progress report will not be sent home. We will continue to print and send home end-of-term report cards. You will receive a printed report card that has final grades for the semester one unified arts classes. Again, it will not have mid-trimester grades for core classes. Those will be fully up-to-date on Powerschool. We will also be sending home second-semester schedules for students so that when they return to school on our first day of the second semester, they will know where they are going and what new unified arts classes they have.
- A reminder that next Monday, January 17, is Martin Luther King Jr. Day. There will be no school on that day. As MLK Day is a national day of service, consider ways to engage your student in community service around Canterbury!

As always, please don't hesitate to reach out if you have any questions or concerns.

Thank you,

Mr. Dukette

Principal, Dr. Helen Baldwin Middle School
