April 6, 2022

Dear Parents, Community Members, and Elected Officials,

Last year, when we began the process to build the 2021-22 budget, we had high hopes that the 2021-2022 school year would bring more familiar learning opportunities for our students and families. Unfortunately, the coronavirus pandemic continued to have a firm grip on our day-to-day activities, which has impacted learning. While at the surface level, staff and students present a resilience for these troubling times, we all know someone who is struggling with managing the stress and trauma associated with the pandemic. Canterbury Schools has maintained an in-person learning model all year and many programs, such as after school activities and sports have been able to take place. It is our hope that the remainder of the year will present more opportunities for staff and students to socialize and interact with one another under less stress and less protocols. We again have high hopes that next school year will return to a learning environment filled with socialization and empowering learning opportunities.

Next year's budget presents several challenges that have been offset through grants and strategic use of current resources. It was anticipated that insurance costs would have a significant increase due to the pandemic. While the most recent projections call for health and dental insurance to have an 8% increase, the district is anticipating the final number to be slightly lower. The current budget proposal reflects an anticipated 5% increase for insurance next year. It will be several weeks before we can have a firmer estimate on insurance rates. The teacher's salary schedule will increase an average of 1.6% with a total increase of about 3% once eligible teachers advance one step. Three other unions are currently in negotiations. These salaries have been level funded in the FY 23 budget and the negotiations line holds an estimated value to cover anticipated increases.

In building this budget, we take into account a level of risk that will afford enough funding to meet our financial obligations and one that is fiscally responsible. During the budget building process we consider our risk tolerance against several questions. Will fuel rates continue to rise or will they stabilize? Will insurance rates hold a modest increase or will we experience significant variability? Will predictions for high school tuition be disrupted by mobility within the community? How many students will require specialized programming in a clinical setting next year? Can we meet our transportation responsibilities or will we need to contract with outside agencies? Many of these answers are unknown. High school enrollment is one example of an unpredictable variable we must consider. For example, since July 1, 2021, twenty new high school students enrolled in Canterbury Public Schools and ten students withdrew from our school system. The high school tuition line item can be significantly impacted by which high school these new students select.

In considering each area of the budget, if we were to build a budget assuming the lowest risk, next year's budget would present an 8% increase. The current proposal assumes modest risk in our assumptions and is being proposed at 1.55% increase.

In this budget proposal the Board assumes all financial responsibility for middle school athletics. This will include costs related to supplies, uniforms, referees, etc. The local budget currently funds only coaching stipends and transportation. In past years, a pay-for-play program managed by the Baldwin Booster Club has assumed the responsibility to support our athletic programs. The pay-for-play requirement has been eliminated in this budget proposal. There were also several decision packages that were presented to the Board for consideration. Each of the proposals are intended to enhance the opportunities for our students. This budget will add a social worker to Baldwin Middle School and expand the World Language program down to third grade. A request to restore a shop program was strongly considered, but deferred to a future budget.

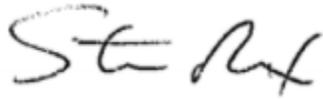

As Canterbury begins to plan for a post-pandemic education environment, it will be important to prioritize social emotional learning as well as academics. We will continue to implement a curriculum that helps students strengthen strategies to support their efforts to self-manage their emotional wellbeing. This budget continues to prioritize early education and intervention in order to close the exaggerated learning gaps for so many of our students.

This budget is committed to the following priorities:

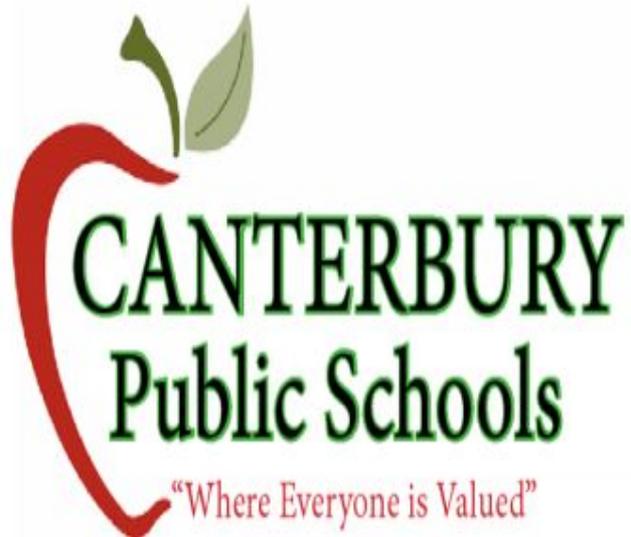

- Maintain optimal class sizes
- Properly fund student athletic programs
- Strengthen intervention programs and social emotional supports
- Expand the World Language program to third grade

On behalf of the children in Canterbury Public Schools, we thank you for your dedication and commitment to ensure that our school system has the resources it needs.

Sincerely,

A handwritten signature in black ink, appearing to read "St Rioux". The signature is written in a cursive, somewhat stylized font.

Board of Education  
FY 23 Budget Presentation  
April 6, 2022

# FY 23 Budget Presentation Goals

- Enhance Budget Transparency
- Share Short-range Sustainability Plans
  - Technology Upgrades
  - Transportation Replacement Cycle
  - Capital Improvement Priorities
- Share Budget Priorities
  - Maintain Optimal Class Sizes
  - Properly Fund Student Athletic Programs
  - Strengthen Intervention Programs
  - Strengthen Social and Emotional Health Supports
  - Expand World Language Program to 3rd Grade

# What is Canterbury's vision for the future of its schools?

This budget is a reflection of our values and the programming we offer to our past students, current students, and future students.

- This budget maintains and supports the academic and social emotional learning needs of our students
- While all programs can be strengthened, this budget presents a fiscally responsible foundation for our students

## **Board of Education Adopted Budget 2022-2023 Budget (3/8/22)**

	<b>Amount</b>	<b>Dollar Increase</b>	<b>Percent Increase</b>
<b>CPS 2021-22 Approved Budget</b>	\$11,803,406	\$17,124	0.15%
<b>CPS 2022-23 BOE Adopted Budget</b>	\$11,986,276	\$182,870	<b>1.55%</b>

# FY 23 Budget Adjustments

- Eliminate insurance consultant
- Restore funding for **Student Athletic Programs**
- Rely on grants to maintain current **Technology Equipment Needs**
- Rely on grants to maintain current **Professional Development Needs**
- Rely on grants to maintain current **Intervention Levels of Service**
- Rely on grants to maintain current **Summer School Programs**
- Rely on grants to maintain current **After School Programming**
- Add 1.0 FTE Social Worker (50% paid through ARP ESSER)
- Add 1.0 FTE World Language Teacher

\*Assumes replacement cost for desktop devices \$750 and laptops \$1,500

# FY 22 BOE Capital Improvement Plan Priorities

1. 71-Passenger Bus - **Completed**
2. CPS Phone System Upgrade - **Completed**
3. BMS Heater Replacement and Upgrade - **Completed**
4. CES Replace AC Condenser Unit - **Completed**
5. BMS Fire Alarm System Replacement - **Completed**
6. CPS Technology Upgrades - **Completed**
7. CES Heating Management System
8. CPS Maintenance Vehicle
9. CES Playscape Upgrades
10. BMS Blacktop Replacement
11. CES Generator
12. BMS Boiler Replacement

# FY 23 BOE Capital Improvement Plan - Priorities

- CES Heating Management System
- CPS Maintenance Vehicle
- CES Playscape Upgrades
- BMS Blacktop Replacement
- CES Generator
- BMS Boiler Replacement
- Kitchen Dishwasher
- Carpeting Replacement
- HVAC Replacement and Upgrades
- Fidelity to the Transportation Replacement Schedule

# Recap on Budget Drivers

- This budget assumes pre-purchasing some instructional supplies using grants and local funding at \$15,000
- Eliminates Insurance Consultant at \$20,000
- This budget includes funding for athletics and does not require pay for play at \$15,000
- Professional development will primarily be funded out of grants \$20,000
- Chromebooks and teacher laptops will be funded out of grants at about \$40,000
- IT support (NOVUS contract) is partially funded from grants at \$10,000 (about 12%)
- Summer enrichment activities are grant funded
- After school programs are grant funded
- This budget assumes a 5% increase for insurance. Current projection is 8% but expected to lessen.
- Heating oil is budgeted at about a 15% increase equalling \$17,500
- Gas/Diesel is budgeted at about a 50% increase equalling \$28,000
- Adds a Social Worker and World Language Teacher

# BOE Budget History FY 17 - FY 23

Approved Budget 2016-2017	\$11,471,059	0.21%
Approved Budget 2017-2018	\$11,025,626	-3.88%
Revised Budget 2018-2019*	\$11,746,014	6.53%
Approved Budget 2019-2020	\$11,582,529	-1.39%
Approved Budget 2020-2021	\$11,786,282	1.76%
Approved Budget 2021-2022	\$11,803,406	0.15%
BOE Adopted Budget 2022-2023	\$11,986,276	1.55%

\*Includes two end-of-year appropriations totaling \$382,276 original approved budget of \$11,363,738 (1.03% increase)

# Decision Packages

The Board discussed five administrative proposals:

- Full-time Transportation Coordinator (budget neutral)
- Creation of Autism Support Program (Start-up to be budget neutral)
- BMS Social Worker (\$83,928 - 50% funded through grants)
- CES/BMS World Language Teacher (\$83,928)
- BMS Shop Teacher (\$86,928 - Deferred to future budget year)

# BOE Approved

The Board agreed to four decision packages to be included in its current FY 23 Budget Proposal

- Increase the current part-time transportation coordinator position to full-time by decreasing one contracted bus driver.
- To create an autism support program to serve as a resource for students at CES. The initial start-up will use existing staff and additional para support may be partially supported through grant funding
- A social worker was added to the budget at BMS to meet standard staffing levels of 1 social worker per 250 students. This will be 50% funded through a grant.
- A World Language teacher to expand the program to third grade

# Additional Budget Considerations

The Board agreed in concept to adding a shop teacher to BMS but decided to wait other year and further develop the concept and overall cost.

## Capital Improvement Plan FY 22 - FY 27

Since the July 1, 2021 school year, several significant capital improvement projects have been completed. The district purchased three new 77-passenger school buses through the Town's Capital Improvement Program (CIP) lease-to-own option. Additionally, with the use of CIP funding, grant funding, and the Board of Education budget, several other projects were completed:

- A new district-wide phone system has been installed
- The district wifi network and access points have been updated
- Four HVAC units have been installed in the 6th grade wing at BMS
- The fire alarm system at BMS had a significant upgrade
- The library AC condenser unit was replaced at CES
- New flooring was installed in the CES library and computer lab
- 18 new desktop computers have been installed in all office locations at CES and BMS
- 20 new laptops were purchased to replace older teacher devices
- 50 new Chromebooks were purchase to continue the 1:1 program at BMS

This year's five-year Capital Improvement Plan has a focus on a few short-term and long-term projects. The Board's discussion led to a categorization of primary needs and secondary needs.

### Primary Needs:

- CES Fire Alarm System
- CES Emergency Generator
- CES Playscape
- Heating Management System
- Kitchen Equipment Replacement

Secondary Needs:

- Maintenance Truck
- BMS Blacktop Repair
- Carpeting Replacement at BMS and CES
- HVAC Replacement and Upgrades
- Boiler Replacement
- Fidelity to the Transportation Replacement Schedule

**It is also the Board's understanding that the Capital Improvement Program will continue to fund the Woodstock Academy surcharge associated with high school student tuition billing.**

**The following is a summary of each priority area in the district's five-year CIP plan with anticipated completion dates.**

**Primary Needs:**

CES Fire Alarm System - FY 27

- While the current alarm system is functioning, it is antiquated. Once a failure occurs a replacement will need to be made immediately, similar to BMS. Estimated cost \$70,000. An updated quote is needed.

CES Emergency Generator - FY 27

- During a power failure there is no running water and only a 30 minute battery supply for emergency lighting. This proposal is seeking a small generator for lighting and water needs only. Anticipated cost is about \$40,000 to \$50,000.

CES Playscape -TBD

- The current playscape was installed in around 1990 and is on top of an asphalt surface. The current equipment is showing signs of wear and planning should begin for its replacement. A new playscape can range in cost from \$100,000 to \$200,000.

Heating Management System - FY 26

- Most sections of the current system can't be controlled or monitored remotely. Many of the pneumatic valves are starting to fail. With an updated system we could replace the pneumatic valve with electronic valves. An updated system will improve efficiency and allow for remote monitoring during extreme cold temperatures. Estimated cost is \$21,000.

Kitchen Equipment Replacement - FY 27

- The current dishwasher at BMS is in need of replacement. The heater unit at BMS leaks and the gauges are no longer operating to factory settings. Reclassifying this line item will allow for more flexibility in supporting the program.

Maintenance Truck - FY 27

- The current maintenance vehicle is used for deliveries, transporting lawn equipment, and plowing in the winter. The vehicle is a 2014 and should be replaced by 2026. An estimated cost of \$55,000 is expected.

**Secondary Needs:****BMS Blacktop Repair - FY 27**

- There is 48,781 sq. ft. of blacktop surface that needs to be replaced at BMS. There are many cracks and dips in the pavement, which is a tripping hazard for staff and students. Using an estimated cost per square foot of \$4.50 the estimated total is \$219,514. An update quote will be needed in the future.

**Carpeting Replacement - FY 27**

- There are only a few locations remaining in the district in need of carpet replacement. The BMS music room, BMS library, and a few classrooms at CES for a partial replacement. About \$50,000 may be needed for these projects.

**HVAC Replacement and Upgrade - TBD**

- The HVAC system in Canterbury is an integrated system of many systems. The systems include AC condenser units, air handlers, independent HVAC units, baseboard heating, forced hot air, and electrical units. It is recommended to have a single account to meet the various needs of the district.

**Boiler Replacement and Upgrades - FY 27**

- The Boiler at BNS is a Peerless Boiler and is 32 years old and is no longer made. While the boiler is functioning, planning for its replacement is prudent. We anticipate a replacement cost about \$35,000 to \$50,000.

**Fidelity to the Transportation Replacement Schedule - Ongoing**

- Assuming the district runs ten bus runs and has two spare buses, the district should maintain a fleet of twelve 71 to 77 passenger vehicles. The district also requires a mini bus, mini vans, and a maintenance vehicle. If the district allocated \$100,000 per year for vehicle replacement cycle, the district could establish a 14-year replacement cycle. It is unlikely that all vehicles will last 14 years and additional allocation may be necessary from time to time.

## Canterbury Public Schools - State and Federal Grants

**Adult Education Cooperative State Grant** - This grant provides for an investment by the state and by the town in Adult education initiatives for Canterbury residents. For Canterbury residents, the services and programs are furnished by EASTCONN, a regional education service center based in Danielson, CT. Authorized Amounts by Source include: Local \$15,316 & State \$12,946

**American Rescue Plan Grant** - was established to address the impact that the Novel Coronavirus Disease 2019 (COVID-19) has had, and continues to have, on elementary and secondary schools across the nation.

**Coronavirus Relief Fund** - The Connecticut State Department of Education (CSDE) conducted two surveys asking districts what learning model they planned to reopen under and what were the costs they anticipated incurring above their appropriated budget for the 2020-21 school year. The estimated expenditure categories were as follows: 1) Personnel Costs Related to: Academics, Student Supports, Building Cleaning & Safety, Technology, Transportation; 2) Non-personnel Costs Related to: Academics, Student Supports, Building Cleaning/PPE/Safety, Technology, Transportation. Based in part on this information the Governor committed \$130.8 million in CRF to reimburse districts for increased costs due to Coronavirus for four categories of spending: (1) Building Cleaning, Health, and PPE; (2) Transportation; (3) Academic; and (4) Student Support. Districts were notified of their allocations.

**The Elementary and Secondary School Emergency Relief Fund (ESSER I and II)** was established to address the impact that the Novel Coronavirus Disease 2019 (COVID-19) has had, and continues to have, on elementary and secondary schools across the nation.

**ESSER II - State Set-aside Grant** - In March 2021, the CSDE acknowledged in error in how ESSER II fund allocation were distributed to local districts. In the recalculation some district's allocations were lower. The CSDE created a new grant in order to hold harmless each district set to receive a lower allocation. Canterbury was one of those districts.

**IDEA Special Education & IDEA Preschool** - These are two entitlement grant programs under the Individuals with Disabilities Act (IDEA), that provides Assistance for Education of all Children with Disabilities and Pre-School Children with Disabilities. The grant application under Section 611,(Special Education) and Section 619 (Preschool) must address the intent of the IDEA.

**IDEA Special Education Recovery Activities** - This entitlement grant is managed under the Individuals with Disabilities Act (IDEA), that provides Assistance for Education of all Children with Disabilities and Pre-School Grants for Children with Disabilities. The grant application has three specific purposes: to ) support Recovery Efforts, 2) Support Special Populations, and 3) provide Dyslexia Tutoring.
