IX. Motion to Adjourn

*Adjournment: 5:20 PM.*

**Purpose of the Council**

SEAC's primary function is to advise our committees and board on matters pertaining to the education and safety of students with disabilities. We will provide information to parents, family members, caregivers, school professionals, Board of Education and community members relating to special education. The council creates a network to serve as a forum in a supportive, respectful and confidential environment.
