We are seeking candidates who will be able to build positive relationships with students and staff, encourage and foster a culture of mutual respect, be an effective communicator and have a willingness to rethink education through innovation. And possess the ability to manage a rotating caseload of students across the school year.

- **The Ideal Candidate will have Experience in a wide range of technology related areas including:**
- Design and deliver engaging STEM curriculum aligned with state and national standards for grades 5-8
- Develop and implement lessons that integrate science, technology, engineering, and math through project-based and experiential learning.
- Incorporate digital tools, coding, robotics, and engineering design challenges into daily instruction.
- Foster a positive and inclusive classroom environment that supports diverse learners.
- Use data-driven instruction to differentiate learning and assess student progress.
- Collaborate with colleagues across disciplines to promote interdisciplinary STEM projects and initiatives.
- Organize and supervise extracurricular STEM activities, such as science fairs, coding clubs, or robotics teams.
- Communicate regularly with parents and guardians regarding student progress and classroom events.

- Maintain accurate records of student performance and adhere to school policies and procedures.
- Participate in professional development to stay current in STEM education best practices.

Qualifications:

- Bachelor's degree in STEM education, science, mathematics, engineering, or related field (Master's preferred).
- Valid teaching certification in the appropriate subject area and grade level.
- Demonstrated experience teaching STEM or related content at the middle school level.
- Proficiency with educational technology, STEM software, and digital learning tools.
- Strong classroom management, communication, and organizational skills.
- Ability to work collaboratively with staff, students, and families.

Salary:

- Pay will be commensurate with experience, and educational level, and in accordance with the Canterbury Public Schools Collective Bargaining Agreement salary schedule. <https://www.canterburypublicschools.org/wp-content/uploads/2025/01/Teachers-contract-7-1-2025-6-30-2028-.pdf>
