Media Release Form

Periodically, our school sponsors activities that receive media coverage, or students produce programming to be aired on Public Access Television Programs. In addition, student and class projects are often videotaped, and students may bring home a copy of the production for families to enjoy or share through ParentSquare. This may include, but is not limited to, science presentations, book reviews, on-stage musicals, and student news programming.

We require your permission to allow your child's picture, likeness, name, or quotes to be included in the media when it relates to Dr. Helen Baldwin Middle School activities. If known ahead of time, school staff will notify you. However, since random coverage of events can occur without prior notice, this permission covers those instances as well.

Important Note: Please complete the form below and have your child return it to school promptly. If this form is not received, your child will automatically be opted into all media choices described below.
