

Canterbury Public School District

2026–2027 STUDENT & PARENT DEVICE & INTERNET USAGE AGREEMENT

Section 1: Purpose & Overview

To enhance learning through technology, Canterbury Public Schools provides students with Chromebooks for educational use. This agreement outlines the responsibilities, expectations, and guidelines for students and parents/guardians regarding the use of school-based Chromebooks.

Section 2: Internet & Network Access Guidelines

By using District network services, students agree to:

- Use the Internet Network solely in support of education and research consistent with District objectives and only with teacher permission.
 - Use considerate, appropriate language consistent with school codes of conduct.
 - Protect personal safety by never divulging personal information over the Internet.
 - Refrain from degrading or disrupting network services or equipment (e.g., tampering with hardware/software, vandalizing data, invoking viruses, seeking unauthorized access, accessing pornographic material, or violating copyright laws).
 - Immediately report any problems or security breaches to the responsible teacher.
 - **Disciplinary Action:** Unethical conduct or policy violations will result in termination of network access and potential disciplinary action.
-

Section 3: Care, Loss, Theft & Repair Fees

- **Reporting:** Any damage, loss, or theft must be reported to the District by the next school day.
 - **Accidental Damage:** A **\$30 deductible** applies per accidental damage occurrence. Non-accidental damage or unrepairable devices require payment of full repair or fair market replacement value.
 - **Theft:** A **\$30 deductible** applies, provided an official police report is submitted to the District within 48 hours; otherwise, it is treated as a total loss.
 - **Loss:** Loss of property requires payment of full fair market value replacement cost. Outstanding technology fees will be addressed administratively.
-
